

WOODROFFE COMMUNITY CHURCH
Relocation Update
January 11, 2009

WE ARE ON THE MOVE!

Sunday, May 3, 2009 is the date we will conduct our first worship service in **Barrhaven** and begin our walk among the residents of that community.

In preparation, we are:

- Finding rental space in a school for Sunday services
- Planning a community engagement ministry.
- **Continuing to look for available land for our new site.**

DHQ has told us that:

- They will be responsible for worship services at this location
- We will be able to use this building for programs and practices until the end of June.

All this activity needs to be surrounded by prayer to keep us in God's will.

For more details, check the Minutes of the Relocation Steering Committee on the bulletin board in the hallway or on the church website, **www.sawoodroffe.org**

Ask questions in person or leave a note for me in the mailbox outside the office door.
